

4-1.3 DECISION NO. D-32

ENVIRONMENTAL AND OCCUPATIONAL MONITORING

Issue:

To set guidelines for the type of personnel needed to conduct independent environmental and occupational monitoring of facility construction or renovation projects.

Decision:

The Health Facilities Advisory Committee (HFAC) reviewed and approved the final draft of the "Environmental and Occupational Monitoring" dated September 3, 1997, subject to editorial revisions. The final chapter will be submitted for approval to the Director of the Division of Facilities and Environmental Engineering (DFEE). Effective immediately, this guide will apply to all existing IHS health care facilities and quarters.

Reference:

Copies of the final draft can be obtained from the DFEE. The approved chapter will be issued as Chapter 24-10 Environmental and Occupational Monitoring, Part 24, Volume III of the Technical Handbook for Environmental Health and Engineering.

Adopted by HFAC on September 3, 1997.

Kenneth R. Harper, P.E.
Chairman, HFAC
